

astuto

The unique **ULTRAPORTABLE** stand for **ALL** your devices, **ANYWHERE!**

Desktop use

Tablet PC
& Smartphones

Laptop

Smart TV

4 KEY FEATURES MAKE THIS THE **BEST STAND EVER** FOR YOUR FAVORITE DEVICES

1. **Ultra-portable** - small, foldable, easy to open, compact, the size of an iPad - easy to carry in your bag, to store in your drawer, to use it anywhere!

2. **Multi-device & universal** - the BEST companion for your iPad, tablet, laptop, smartphone, TV and set top box. For laptops up to 15.6", smartphones and tablets up to 12.9" - both in portrait and landscape mode. The slots are wide enough to host most tablets with a cover or case, even with an MS Surface PRO 4 with Type Cover. Wheels adjust the width of the rear slot. A series of positions to adjust to your needs and habits.

3. **Ergonomic working position** - improve your posture, bring your screen to near-eye-level, relief for your body, free yourself from neck pain, back pain and shoulder pain, sore eyes as well as heat related pathologies. Inclined feet below the stand allow you to use your tablet and keyboard on a desk in a proper way.

4. **Usable anywhere** - the straps follow the line of your thighs and make you independent from any table or desk, you can use your device wherever you are: while travelling, in the university, in the airport, in the plane, in the train, in the car, on a park bench, in the office, in hospital, in bed, on a couch... you name it!

Some smart extras - anti-slip & anti-scratch surface; 2 slots for safe keeping of USB dongles & memory sticks; elegant & classic design; easy to recycle components, compatible with the ultra thin iMoov teclado Bluetooth keyboard with memory for 3 paired devices and the iMoov BagIT series and travel with your favorite devices in style.
